

Mrs. Moll's Kindergarten Gazette

Progress should be at 45% this week for all paced subjects.

We have one more week before Winter Break. Please do your very best to get your student caught up in the OLS as well as Study before Winter Break arrives. If you are behind then you'll need to work over Winter Break.

Hybrid students will have a winter party on Tuesday, December 17. Please see flyer that was sent via Kmail for more details.

The entire kindergarten team will be present at the Winter Wonderful at Lynn Black Elementary! We'd love to see hybrid and virtual students come enjoy this fun day! Due to this as well as other meetings, we will not have Class Connect sessions next Wednesday.

I have been updating ILPs this week, and will have them all sent out by Sunday evening. Please review these so we can discuss them when I call next week for my December monthly calls.

Thank you all so much for your hard work this semester! I appreciate all the work you've done to build this educational foundation for your student! This kindergarten year is truly a VERY important year. I applaud all of you for recognizing it's importance and playing a major role in it! Keep up the good work, and I look forward to seeing your student grow in 2014!
