

Mrs. Moll's Kindergarten Gazette

Progress should be at 32% this week for all paced subjects.

Please make sure your student is answering at least ten questions and getting a 70% or higher on their Study Island assignments. If they don't do both of these things then they do not get their blue ribbons.

If your family was interested in coming to the talent show Friday, December 6, please note that it has been rescheduled due to the weather. The talent show will be held on Thursday, December 12.

The kindergarten team has another training next Wednesday. You'll notice that there will be no Class Connects that day. I will check Kmail when I can that day. Also, I will be attending A Christmas Carol at the IRT with Hoosier Academy on Thursday, December 12. I hope to see some of you there! I will not be holding my small groups that day. Miss Smith and Miss Schneider were not able to get tickets so they will still be holding their classes.

For a good laugh, check out the kindergarten team as elves! It is pretty funny.

I know many students are finished with their handwriting books. Your student still needs to be writing everyday. I have links to webpages where you can get writing pages. I also provide daily journal suggestions on the second page of this newsletter.

The Middle of the Year Dibels Benchmark assessment will happen right after winter break. At this point in the year, your child should AT LEAST know all of their upper and lowercase letter names and sounds. Please Kmail me or check out my website if you need resources to help your student. Many of you are taking advantage of all of the Class Connect sessions. Those are also a wonderful and necessary resource for your student. I am so excited to see all of the growth that they are going to show on this Dibels Benchmark assessment!

Community Connections

Please visit <http://hoosier.k12start.com/> for a complete list of events and other valuable information
