

Mrs. Moll's Kindergarten Gazette

Progress should be at 66% this week for all paced subjects.

We do not have school next Monday, February 17. Please use this day to get caught up in the OLS or Study Island if you are behind.

Fort Kindergarten is happening March 5. You student can build a fort to read on or before March 5. Send me a picture of them reading in their fort, and I'll post it on my webpage. It should be a fun way to read for the day. :)

ISTEP is around the corner! While kindergarten students DO NOT take ISTEP, their teachers may be called to help test other Hoosier Academy students. The K team will let you know our schedule as soon as we find out where we are being sent.

Keep an eye out for additional kindergarten field trips. We are re-scheduling the Evansville trip later in March. There are some other exciting things in the works for the South Bend and Indianapolis area. Stay tuned!
