

Mrs. Moll's Kindergarten Gazette

Progress should be at 69% this week for all paced subjects.

ISTEP is just around the corner, and teachers have been made aware of their assignments for testing. I will be testing in Ft. Wayne on March 6 and 7. If needed I will also be heading up there on March 12. I'll keep you posted on March 12. My hope is that we won't have make-ups on March 12 so I won't have to travel. I will not be able to hold Class Connects on March 6 and 7 because I will be testing all day. We are still waiting to hear where Miss Smith will be testing. When we finally get that information we will send a grade level Kmail letting families know what whole group sessions we will be able to hold. All of that being said, please keep in mind that any of the kindergarten teachers could be pulled at anytime during ISTEP testing to assist at a site. We appreciate your patience during this important time for our school.
