

Mrs. Moll's Kindergarten Gazette

Progress should be at 51% this week for all paced subjects.

What a first week back from break! I hope everyone was able to stay warm and safe during the crazy weather! I hope everyone used Winter Break as a time to get caught up in the OLS, rest up, and spend time with family. Spring semester is going to fly by so please make every effort to stay on track with OLS progress, attendance, and Study Island.

Dibels testing began this week, and it will continue through the month of January. The Title One teachers have a VERY busy load testing all Hoosier students K-6. This test is mandatory, it guides instruction, and it gives us a portrait of how your student is doing. Title One teachers cannot reschedule your student's test so please make every effort to be present for it.

Virtual families, please make sure you have your student do the January writing prompt, and send it to me no later than January 24. Hybrid students will do this at the center with me.

Virtual students also need to complete the EasyCBM test with their student before Jan. 24. I will have hybrid students complete this at the center.

I'm here to help in anyway I can! If you need anything please do not hesitate to ask!
