

Mrs. Moll's Kindergarten Gazette

Progress should be at 54% this week for all paced subjects.

I hope to see some of you at the IMA next Wednesday! The entire Kindergarten Team will be there along with other members from Hoosier Academy. We will have reading block on Jan. 22, but the rest of the Class Connects for the day will be cancelled.

Please keep an eye out for some upcoming field trips. We are going to try to hit the three major areas of the state: south, central, and north. We are just finalizing the details, and look forward to providing some fun and engaging experiences.

We do not have school Monday in observance of Martin Luther King Jr. Day. Please use this day to get caught up if you are behind. Also, I will be in meetings all day on Jan. 29 with the other kindergarten teachers so we will not have Class Connects that day. As always, I will check Kmail when I have time on that day.

Dibels testing continues through the month of January. I look forward to seeing these results!

As always, please make sure your student is following the pacing guide for both attendance, OLS pacing, and Study Island Pacing. I will be looking at all three of these at the end of the year to determine promotion to first grade. I don't want there to be any surprises at the end of the year. Please make sure you are setting your student up for success.

Community Connections

Please visit <http://hoosier.k12start.com/> for a complete list of events and other valuable information
