

# Mrs. Moll's Kindergarten Gazette

## Progress

should be at 60% this week for all paced subjects.

Virtual families who have tests have all gotten their Dibel's reports from me at this time. Please let me know if you have ANY questions about your child's score. Hybrid families, weather permitting, your students will text next week at the center. I'm really hopeful that we won't have artic temperatures or mass amounts of snow on Monday or Tuesday. I'll send those reports to you as soon as I get them.

We have a field trip planned for February 5 at the Evansville Children's Museum. Please RSVP to this event. We are excited to meet our southern families, and invite all families from across the state to meet us down there as well. More to come on the rest of our kindergarten spring field trips.

Please continue working hard with your students, and let me know if there is anything at all you need from me.

## Community Connections

Please visit <http://hoosier.k12start.com/> for a complete list of events and other valuable information
