

Mrs. Moll's Kindergarten Gazette

Progress should be at 78% this week for all paced subjects.

Our kindergarten literature fair was a hit! We had a lot of great projects represented. We have an entire grade level of students that are engaged and having fun with literature! This makes my heart happy as a teacher! :) If you weren't able to pop into the literacy fair, I invite you to checkout the great work showcased on my classroom webpage: <http://mrsmollsclassroom.weebly.com/>

Next week is our last week of school before spring break. There will be no class connects held during spring break. I will not be checking Kmail or answering my phone during break. If your student is behind on OLS or Study Island then you should plan on working during break.

Next week is a your choice unit for literature. Just a reminder, these are the books that will be covered during reading block for the two remaining your choice units: Unit 18- Blueberries for Sal & Unit 21- The Runaway Bunny. If you are not going to attend reading block then you will need to choose your own book. You can either borrow the book from a library or purchase the book. As always, please let me know if you have any questions, or if you need anything from me! I am happy to help!
