

Mrs. Moll's Kindergarten Gazette

Progress should be at 81% this week for all paced subjects.

Next week is spring break! If you are behind, please use this time to get caught up. Otherwise, enjoy some time with your family and relax!

The end of the year is very near! When we consider promotion for next year, we will look at OLS progress, attendance, and Study Island progress. Please make sure your student is in good standing so there will be no issues when it comes to grade level promotions.

I will not be answering my phone or checking Kmail over break. You are welcome to Kmail me, but I won't be checking or responding until April 6.
