Progress should be at 96% this week for all paced subjects.

The end is near! We have two weeks left of school! Please be sure everything is good to go with your student.

Dibels results have been sent! I am excited that so many students did so well on this assessment!

I am currently working on updating our last ILP for the year. Please respond to the Kmail I sent out by Tuesday, May 20. This will be something you can share with next year's teacher so they can know a little more about your student at the start of the year.

If you are planning on coming to the Indianapolis Zoo Outing Wednesday, May 21, please be sure you have Kmailed me letting me know. I am

Science Day

Date and Time: 5/21 12pm-2pm

Location: Lynn Black Elementary School

Address: 5640 Caito Drive, Indianapolis

We will have a Hoosier Science Day on May 21st. We know it has been a busy year, so we want to be sure that all students have the chance to share a science project AND/OR come and view other presentations. On top of being able to view other student's projects, there will be science demonstrations by teachers in the classrooms. Students can filter between rooms and watch experiments and view other student's projects. We look forward to this fun science day for students of all ages. There will be no judging, but anyone who participates can get a Science

Day Participation Ribbon.
