

## Mrs. Moll's Kindergarten Gazette

Progress should be at 9% this Friday for all paced subjects. Please make sure you are logging all progress and attendance in the OLS. If it isn't marked on the computer then I can't tell what you are doing at home. :)

Your student should have six Blue Ribbons on Study Island at this time. Please make sure they are doing those assignments weekly, and let me know if they need help with a concept.

We have a lot of exciting opportunities coming up for our kindergartners. Please see the dates to remember section of the newsletter to see where Mrs. Moll will be around the state. I hope to see your student!

Please visit <http://hoosier.k12start.com/> for a complete list of events and other valuable information
