# Mrs. Moll's Kindergarten Gazette

## Dates to Remember:

Progress should be at 18% this week for all paced subjects.

The kindergarten team will be working the Mooresville Orchard Day. We hope to see many of our kindergarten friends there, but understand if you'll be attending an Orchard Day closer to your home.

Everyone should have received an ILP from me this morning. These are updated with Dibels data as well as goals for your student. Please remember this is a working document that we will change throughout the year. We will discuss this document, as well as OLS progress and Study Island progress, in our parent teacher conference. I look forward to talking with each of you. If you have not signed up for a time yet, please do so by 3PM today. If I have not heard from you then I will assign you a time. These conferences are mandatory, and they are a great opportunity for us

to meet to make sure we are on the same page for how best to help your student. Team work to make the dream work!

I know I don't send out Kmails enough letting you all know that I appreciate all of your hard work. I know you all are putting in long hours, working with students all day, and also trying to help run your families and households. I appreciate you. I applaud all of your hard work. Thank you for doing the best you can for your student. Please let me know if there is anything I can do to help you.
