

# Mrs. Moll's Kindergarten Gazette

Progress should be at 36% this week for all paced subjects.

Next week is our last full week before Thanksgiving Break. Please make sure that your student is up to date with the OLS and Study Island. It will feel so good to come back from Thanksgiving Break where your student is supposed to be so we can finish the semester strong!

I'll be starting my monthly calls for November this Friday as well as next week. We will be discussing your student's ILP goals, OLS progress/attendance, and Study Island progress. Everything, as always, needs to be up to date for these calls so we are looking at accurate data. You all have been doing a fine job with this, and I appreciate all of the hard work!

Please let me know if there is anything I can do to help, and keep up the good work!
