Progress should be at 21% this week for all paced subjects.

Next week is our last full week before fall break. Please make sure that all progress and Study Island assignments are where they should be by Oct. 11. If your student is not where they should be progress wise or with Study Island assignments, please use Fall Break to get caught up.

It was so great to see so many of you at Orchard Day yesterday! I appreciated hearing about everyone's experience, and I hope you enjoyed getting outside for some fun at the orchards around the state.

Keep up the good work! One week until you can relax and enjoy some family time! Please let me know if there is anything I can do to help.
