## Mrs. Moll's Kindergarten Gazette

---

Progress should be at 30% this week for all paced subjects.

All October Study Island assignments should be finished at this time. Remember that means they must answer at least 10 questions with a 70% or higher. Students that finish Study Island assignments monthly will get a special treat so make sure your kindergartener doesn't miss out!

I will be attending the NAGC Conference in Indianapolis next week on Thursday and Friday. I will not be holding small group sessions. Other regularly scheduled sessions will still be happening.

Next Wednesday is a Study Island work day! We will not have Class Connect sessions for this reason. If your student is where they should be then please have the complete the lessons that are on the pacing guide.

I will start making my November

monthly calls next week. Please make sure your OLS progress, attendance, and Study Island are all where they should be as these are items we will discuss. We will also go over their ILP to review how they are progressing with their goals. Please be prepared to discuss these items.

All three EasyCBM tests are due no later than November 6. Hybrid students have completed them with me at the center.

November writing prompts are due November 15. Please email them to me, and then look for them on my classroom webpage:

As always, please let me know what questions you have, and what I can do to best assist you!
